We are a secondary school for pupils with an increasingly diverse range of special educational needs. We are looking for someone who can make a real difference to the daily running of the school environment, both within and outside traditional school hours.

You will be responsible for the security, health and safety, and cleanliness of the school, so would need to have demonstrable experience in these areas. This is a “hands on” role, therefore you must have excellent DIY skills (a trade background would be a distinct advantage). You should also be able to work on your own initiative and have sound customer service skills.

To request an application pack please email Mr Stuart Lathan at the Academy [slathan@friars.northants.sch.uk](mailto:slathan@friars.northants.sch.uk)

The Trust/Friars Academy is committed to safeguarding and promoting the welfare of children and young people. The successful candidate will be subject to an enhanced disclosure from the Disclosure Barring Service.
