

# Mrs Pinfold

My name is Mrs Pinfold and I am the Family Support Worker at Friars Academy. I have been working at Friars for a long time— too long to remember!

You will see me around school doing all sorts of things: checking attendance, at your annual review and popping in to your class at social time.

## About me:

- When I was at school my favourite subjects was English and especially spellings!
- Before I began working at Friars I lived in London and worked in a school for Blind Children near Wimbledon Common (where the Wombles live!).
- My role at Friars means I can help parents and families and be the voice at the end of the phone if they have worries or questions, when they have their Annual Reviews or simply just want to share their concerns.
- In my spare time I love to shut myself in my sewing room and make quilts and other handmade items.

## What's important to me:

- I have two children, a boy and a girl, and a Grandson who I adore!
- Meeting up with my friends and family
  - Baking in my kitchen and sharing the spoils with others
  - I enjoy going on holiday and exploring new places
  - My garden is a work in progress that is evolving but I have enjoyed building the raised beds and planting up veggies for my dinner!

## Quickfire questions:

- **Favourite food:** I enjoy most foods but I am a bit of a cheese addict! Oh and custard!
- **Favourite drink:** Water! I drink lots of it I don't like tea or coffee.
- **Favourite place you have visited:** Portugal, I loved it there!
- **Where would you like to go:** Australia—to meet up with an old school friend who now lives there.
- **Something you have always wanted to do:** Be a silversmith and make jewellery. I have tried it but it was very expensive!
