

## The Pastoral Teams Message ...

Wow starting at Friars Secondary school  
Where the teachers and other staff are really cool  
The school may look different for awhile  
But don't you worry you will still be greeted with a smile.

There are lots of staff to help you settle in  
Because we know how hard it can be to know where to begin  
You can talk with anyone about any worries or fears  
You may even feel like you want to have a few tears.

We have a good pastoral team to help you out  
And we will be there if you need us, just give us a shout  
We will help you as best we can  
Maybe we can work out your every own plan.

There are 3 of us you can speak to throughout the school day  
We will listen to what you have to say and help you on your way  
You can tell us anything nothing is too big or small  
Believe us, we have heard it all.

We all have the right to feel safe and that includes you  
Because your primary school you knew  
But with our help you will settle in I have no doubt  
When you know what Friars is all about.

We have our rooms upstairs that you are welcome to come to see  
Because there may be a time you need to see us three  
We are good at listening and helping you, as a group or one-to one  
And we try to help you in a way that is fun.

**FUN**

We are looking forward to meeting with you all and getting to know you  
And now you have read this poem you know who we are too.  
We know you will be very happy  
When you come to Friars Academy.
