

Post 16 Learning Journey

At Friars Academy, Post 16 places a greater emphasis on Lifeskills in preparation for independent living and choices Post 18 and beyond.

Students follow a bespoke timetable delivered in a specialised unit with a dedicated staff team. Our programme of study is continually developed and reviewed in order to deliver content that is both relevant and interesting to our learners with opportunities to individualise accreditations according to needs.

Every Child, Every Chance, Every Day
