Dear Neighbour

I wanted to take the opportunity to introduce myself to you; my name is Dan Gay and I am the new Head of School at Friars Academy.

Although I have worked at Friars for 9 years, I felt it important to write to you and re-new our commitment to developing the relationship between our school and you as our neighbour.

Community is very important to us at Friars Academy; as a secondary Special School, making connections and establishing relationships with you is an essential element in the progression of our students as they continue their journey through life.

It is also important that, if any issues ever arise, you feel able to get in touch with me to find a solution. I know that Friars Close can become busy at key times during the school day; we are always aware of this and will continue to do our best to limit congestion.

During term time, on a Thursday, we run the Friars Pit Stop, a Year 10 student Enterprise project that allows our students to plan, bake and sell beverages and cakes to family and friends of Friars. I would like to extend an open invitation to you to join us on a Thursday morning if you would like to.

If you ever need to contact me, please do not hesitate. My email address is: dgay@friars.northants.sch.uk

I will look forward to developing our relationship and saying "Hello!" when we're passing by.

Many best wishes

Dan Gay
Head of School
