

# Class Dojo

<p><b>What is it?</b></p>	<p>Across our KS3 and SLD classes here at Friars Academy, we utilise ClassDojo.</p> <p>ClassDojo is an online platform used to connect parents and classes together.</p> <p>This involves daily/weekly updates on what has been happening in class, including photographs and videos, so that parents have a clearer view as to what their child has been doing in school.</p> 
<p><b>Why use Class Dojo?</b></p>	 <p>It is used as a means of communication; the direct messaging function allows for quick and easy correspondence between teachers and parents.</p> <p>As ClassDojo's interface has similarities to well-known social media platforms, it is extremely user friendly - accessible from a desktop, smart phone, tablet and even gaming devices!</p>
<p><b>How do I join Class Dojo?</b></p>	<p>You will be invited via email to join your child's class, at no cost, as ClassDojo is free. Once connected, you do not need to connect again; as your child moves through the school, this will update automatically.</p> <p>Use this link to sign up for an account: <a href="#">ClassDojo for Parents</a></p>
<p><b>What Do I need to access Class Dojo?</b></p>	<p>We recommend installing the ClassDojo app onto your phone or tablet – this way, access and correspondence to your child's class is right in your pocket!</p> 
<p><b>What do I do If I can get on or have problems?</b></p>	<p>If you ever encounter any issues using ClassDojo, then class teachers or our family support worker will be more than happy to assist in whatever way they can.</p> <p>We hope, that through this, you will be able to see all of the amazing things your child will do here at Friars.</p>
