Dear Parent / Carer

Our students have spoken! They have said that they would like to see more flowers in the school grounds to help make the place look a bit more colourful!

To help us with this we were wondering if you would be able to donate a few spring bulbs. Daffodils, tulips, crocus, hyacinths would look particularly good in certain areas of the school. Whether this could take the form of a complete bag or just a few that you may have left over, that would be absolutely brilliant!

If you do happen to have any other plants or large planters that are looking for a new home, we would also be grateful for those too! We are aiming to make our school look as colourful as possible as it helps to support our students' wellbeing and contributes towards a happy environment.

If you do have any donations, please bring them to Reception.

Many thanks for your support, it is very much appreciated.

Kind regards

The Enrichment Gardening Group

Friars Academy is part of Better Together Learning Trust, a charitable company limited by guarantee and registered in England and Wales with Company Number 08722556
The registered office is at Friars Close, Wellingborough, Northamptonshire NN8 2LA
