ACCESSIBILITY PLAN

BETTER TOGETHER LEARNING TRUST AIMS

The Trust is committed to providing an accessible environment within an inclusive learning environment that enables all learners to work towards their potential.

FRIARS ACADEMY

1. Improve access

It is our intention to remove, as far as possible, those barriers which make it difficult for any individual who has difficulties within the following broad categories of need, if it gets in the way of normal academy life:

- Physical access to the learning environment
- Access to published information/lessons/learning/school
- Access to the curriculum

2. Difficulties

The range of difficulties which may need addressing are various and are likely to change according to the cohort of pupils and their identified difficulties, but they could be broadly grouped as:

- Sensory impairment, speech, hearing, or eyesight
- Physical difficulties, co-ordination, manual dexterity, ability to lift or move everyday objects
- Medical needs, continence, managing medication
- Cognitive and learning needs, memory, or ability to learn, concentrate or understand
- Communication difficulties including Autistic Spectrum Disorder
- Social and emotional needs
- Perceived risk or physical danger

3. Strategy

This leads us to develop the accessibility plan, which is a strategy for:

- Increasing the extent to which disabled pupils can participate in the academy's curriculum
- Improving the physical environment of the academy to increase the extent disabled pupils can take advantage of education and associated services offered by the academy.
- Improving the delivery of information that is already provided in writing to able bodied pupils. This should be done within a reasonable period of time and in formats that take into account the preferred means of communication by the pupils and their parents/carers.

4. Actions

- Continually review the environment of each school or academy, the way we plan, prepare, and teach the curriculum and try to make sure the information we provide for pupils is understandable.
- Provide an atmosphere where all pupils feel safe and valued.
- Promote understanding of disability and work to show positive models of people with a disability. We will avoid stereotypes and use language which emphasises the person rather than the disability.
- Examine those parts of our active and extra-curricular activities that may have limited access for pupils with a disability and see if it is possible to provide learning experiences that promote similar development of knowledge and understanding.
- Investigate access within our planning cycle so that it is an explicit part of our academy plans.

Values and Ethos

Better Together Learning Trust will prepare students for the challenges and opportunities of their future lives through a world class, life skills curriculum, transformational learning experiences and the promotion of **'Every child, Every chance, Every day'**.

Our actions are underpinned by the belief that:

- Everyone should feel included in their local communities and wider society
 - Staff and students are capable of constantly learning and developing
 - Family members and carers play a vital role in the education of students
 - Our academies and schools need to be part of and responsive to their local communities Mission Given these beliefs, all our staff and volunteers will strive to ensure that.
 - Every student feels included in the life of their academy or school
 - Every student leaves their school or academy prepared for the next stage in their lives
 - Each student feels engaged and is able to contribute to the communities in which they live
 - Each student's potential is recognised, and their potential is turned into reality
 - Family members and carers are engaged in the students' learning and development
 - Investment is made in high quality professional development for staff
 - Student and staff achievements are recognised and celebrated
-
- We will work to be the best partners we can be to other academies, schools and educational organisations
- Vision Our vision is that Better Together Learning Trust and its academies and schools, will be acknowledged as a leading partner and contributor to high quality inclusive education provision in their local communities for 4 to 25 year olds.
