

**FRIARS MULTI ACADEMY TRUST**  
**Acceptable Use Policy for Mobile Phones**

**Non Statutory General Policy**

Approved by LGB: May 2018  
New review date: May 2021

## **PURPOSE**

The widespread ownership of mobile phones among young people requires that academy/school administrators, teachers, students, parents and carers take steps to ensure that mobile phones are used responsibly at schools. This Acceptable Use Policy is designed to ensure that potential issues involving mobile phones can be clearly identified and addressed, ensuring the benefits that mobile phones provide (such as increased safety) can continue to be enjoyed by our students.

## **1 SPECIFICS TO FRIARS ACADEMY**

1.1. Friars Academy has established the following Acceptable Use Policy for mobile phones that provides teachers, students, parents and carers guidelines and instructions for the appropriate use of mobile phones during school hours.

1.2. Students, their parents or carers must read and understand the Acceptable Use Policy before students are given permission to bring mobile phones to school.

1.3. The Acceptable Use Policy for mobile phones also applies to students during academy excursions, residential and extra-curricular activities.

## **2 Rationale**

Personal safety and security

Friars Academy accepts that parents/carers give their children mobile phones to protect them from everyday risks involving personal security and safety. There is also increasing concern about children travelling alone on public transport or commuting long distances to school. It is acknowledged that providing a child with a mobile phone gives parents/carers reassurance that they can contact their child if they need to speak to them urgently.

## **3 Responsibility**

3.1 It is the responsibility of students who bring mobile phones to school to abide by the guidelines outlined in this document.

3.2 The decision to provide a mobile phone to their children should be made by parents or carers.

3.3. Parents/carers should be aware if their child takes a mobile phone to school.

3.4. Permission to have a mobile phone at school while under the school's supervision is contingent on parent/guardian permission in the form of a signed copy of this policy. Parents/carers may revoke approval at any time.

## **4 Acceptable Uses**

4.1. Mobile phones should be switched off and handed in while in the school building. Exceptions may be permitted only in exceptional circumstances if the parent/carer specifically requests it. Such requests will be handled on a case-by-case basis and should be directed to Headteacher. Parents/carers are reminded that in cases of emergency, the Academy office remains a vital and appropriate point of contact and can ensure your child is reached quickly and assisted in any appropriate way.

4.2. Mobile phones should not be used whilst at the Academy in any manner, with the exception of 4.4 below.

4.3. Students should protect their phone numbers by only giving them to friends and keeping a note of who they have given them to. This can help protect the student's number from falling into the wrong hands and guard against the receipt of insulting, threatening or unpleasant voice, text and picture messages.

4.4. The school recognises the importance of emerging technologies present in modern mobile phones e.g. camera and video recording, internet access, MP3 and MP4 playback, blogging etc. In the future teachers may wish to utilise these functions to aid teaching and learning and students may have the opportunity to use their mobile phones in the classroom. On these occasions, students may use their mobile phones in the classroom only when the teacher has given express permission.

## 5 Unacceptable Uses

5.1. Unless express permission is granted, mobile phones should not be used to make calls, send SMS messages, surf the internet, take photos or video or use any other application during school lessons and other educational activities, such as assemblies or excursions/residentials. Mobile phones are only to be used in the event of an emergency and with permission from the Headteacher.

5.2. The Bluetooth function of a mobile phone must be switched off at all times and not be used to send images or files to other mobile phones.

5.3. Using mobile phones to bully and threaten other students is unacceptable and will not be tolerated. In some cases it can constitute criminal behaviour.

5.4. It is forbidden for students to “gang up” on another student and use their mobile phones to take videos and pictures of acts to denigrate and humiliate that student and then send the pictures to other students or upload it to a website for public viewing. This also includes using mobile phones to photograph or film any student without their consent. **It is a criminal offence to use a mobile phone to menace, harass or offend another person and almost all calls, text messages and emails can be traced.**

## 6 Theft or damage

6.1. Students should mark their mobile phone clearly with their names.

6.2. Students who bring a mobile phone to the Academy should hand it to a member of staff for it to be locked away. It will be returned at the end of the school day.

6.3. Mobile phones that are found in the Academy and whose owner cannot be located should be handed to front office reception.

6.4. The Academy accepts no responsibility for replacing lost, stolen or damaged mobile phones.

6.5. The Academy accepts no responsibility for students who lose or have their mobile phones stolen while travelling to and from Friars Academy.

6.6. It is strongly advised that students use passwords/pin numbers to ensure that unauthorised phone calls cannot be made on their phones (e.g. by other students, or if stolen). Students must keep their password/pin numbers confidential. Mobile phones and/or passwords may not be shared.

6.7. Lost and stolen mobile phones in the U.K. can be blocked across all networks making them virtually worthless because they cannot be used.

## 7 Inappropriate conduct

7.1. Any student/s caught using a mobile phone to cheat in exams or assessments will face disciplinary action as sanctioned by the Head Teacher.

7.2. Any student who uses vulgar, derogatory, or obscene language while using a mobile phone will face disciplinary action as sanctioned by the Head Teacher.

7.3. Students with mobile phones may not engage in personal attacks, harass another person, or post private information about another person using SMS messages, taking/sending photos or objectionable images, and phone calls. Students using mobile phones to bully other students will face disciplinary action as sanctioned by the Headteacher.

**[It should be noted that it is a criminal offence to use a mobile phone to menace, harass or offend another person. As such, if action as sanctioned by the Headteacher is deemed ineffective, as with all such incidents, the school may consider it appropriate to involve the police.]**

## **8 Sanctions**

8.1. Students who infringe the rules set out in this document could face having their phones confiscated by teachers.

8.2. On the first infringement of this policy the mobile phone would be confiscated by the teacher and taken to a secure place within the academy office. The student will be able to collect the mobile phone at the end of the school day and a record will be made of the incident. A letter will also be sent to the parent/carer to inform them of the incident. The location and form of the secure place will be one deemed appropriate by the leadership team.

8.3. On the second infringement the mobile phone would be confiscated by the teacher and taken to a secure place within the academy office. Parents/carers will be notified and the student will not be permitted to collect the phone without a parent/carer's consent. If a parent/carer is unable to attend the school they are permitted to phone and give verbal consent for their child to collect the phone and must speak to a member of the leadership team. The incident will be recorded.

8.4 On the third infringement the mobile phone would be confiscated by the teacher and taken to a secure place within the academy office. Parents/carers will be notified and the student will not be permitted to collect the phone without a parent/carer present. After the third infringement the academy will withdraw the agreement to allow the student to bring the mobile telephone to school.

8.5. As set out in the previous section, failure to comply with the rules set out in this document may result in an alleged incident being referred to the police for investigation. In such cases the parent or carer would be notified immediately.

**Parent/Carer Permission**

I have read and understand the above information about appropriate use of mobile phones at Friars Academy and I understand that this form will be kept on file at the Academy.

I do/do not (*please delete*) give my child permission to carry a mobile phone to Friars Academy and understand that my child will be responsible for ensuring that the mobile phone is handed to a teacher on arrival and used appropriately and correctly while under the Academy's supervision, as outlined in this document.
